MEMORANDUM FOR: Project Director

SUBJECT: HTAUTOMAT Handling of Near
East Photography

1. This is to inform you that I have informed H. D. Sheldon, Acting DD/I, and [REDACTED] of the arrangements with regard to the sending of the duplicate positives to the [REDACTED]. I also said that at such time as [REDACTED] is able to make normal production, requirements for PI analysis would stem from NSC problems but in any event would normally flow from the DD/I. I stated I knew of no special requirements for PI analysis which you had at this time.
